Non-regularisation of the absences of the official during his service appear to be mainly due to his chronic habit of absenting himself unauthorisedly without previous sanction However, as the absences were not regularised even after six years of his retirement, his absences for the periods 15-11-1924 to 11-3-1925, 18-11-1926 to 17-11-1927 and 15-4-1937 to 3-6-1937 may be treated as Leave without allowances under note 2 to Article 212 Mysore Service Regulations The irregular leave granted for the period from 26-6-1944 to 1-4-1945 may be regularised by treating the absence as 3 months privilege leave 3 months Furlough on full pay and the rest Furlough on Half pay, the excess allowances paid being recovered from his pension

2 Regarding the second issue viz , condonation of delay under the provisions of Article 20 of Mysore Financial Code Volume I, it may be stated that it may not be possible for the Accountant General to investigate the claim relating to a period about 30 years back

3 As the periods of allowances and leave under dispute relate to the service of the official rendered in the Government Departments, the Accountant General, Mysore, Bangalore, may also be consulted in the matter

Continued)

2 Subsequent to 28-10-1953, action was taken to finalise the pension papers in communication with the Deputy Commissioners of the several Districts where this official had previously served. But the following difficulties still remain unsolved and it has not been possible to accord sanction to the pension in accordance with the Service Regulations

3 (a) He is seen to have been on leave from 15-11-1924 to 11-3-1925 inclusive for 3 months and 25 days, (in continuation of the period of leave from 12-6-1924 to 14-11-1924 inclusive, which has been sanctioned vide entries on pages 13, 12, 11 and 10 of the Service Register Vol I) when he was borne on the establishment of the Kadur District

(b) Similarly his absence on leave between 18-11-1926 and 17-11-1927 (inclusive) during the period when he was borne on the establishment of the Bangalore District, has not been regulated vide entries on page 11 of the Service Register Vol I

(c) A third period of unsettled leave of absence occurs between the dates 15-4-1937 and 2-6-1937 (inclusive) vide entries on page 4 and 5 of the Service Register, Vol II, when he was serving in the Mandya Taluk Office He was granted Privilege Leave for three months and furlough on average salary for 14 days from 1-1-37, which expired on 14-4-1937 He has joined duty in Chamarajanagar Taluk Office, on transfer from Mandya Taluk on 3-6-1937 The intervening period from 15-4-1937 to 2-6-1937 is not seen to have been regularised

(d) He is seen to have been relieved of his duties as special Sheristedar, K R Nagar on 26-6-1944 forenoon on transfer as Revenue Inspector, ~~Sagar~~ Sorgul Hobli, Hegadadevana Kote Taluk It is seen from the entries of pages 10 and 11 of the S R Vol II, that this official was granted combined leave for 8 months and 25 days from 6-7-1944, of which three months is treated as Privilege Leave and the rest i e , 5 months and 25 days as furlough on full average salary It is further noted that allowances for the period

from 26-6-1944, to 7-7-1944, ~~awarded~~ availed of as joining time, are held over for want of proper sanction etc

4 Copies of letter Nos S2 C 3922/53-54, dated 23-8-54 and M2 P R 41/54-55, dated 7-8-1954, addressed to this office in this connection by the Deputy Commissioner of the Bangalore and Chickmagalur Districts respectively are herein enclosed for the kind information of Government It could be seen from these references that their records do not clearify the position and the Deputy Commissioner, Bangalore District has ~~been~~ even suggested, in his letter dated 23-8-1924, that sanction of Government may be obtained after explaining the circumstances of the case

5 The official retired from Service more than 6 years ago and it appears very necessary to give the retired official some measure of interim relief immediately, pending a final settlement of the claim

(i) The unsettled periods of absence (specified in paragraphs 3 (a), (b), and (c)) viz 15-11-24 to 11-3-1925, 18-11-26 to 17-11-27 and 15-4-37 to 2-6-1937, may be treated as leave without allowances under note ~~xx~~ 2 to Art 212 of the Mysore Service Regulations, as there is no evidence to bring the case either under clause (4) of Art 233 or under Art 264 The official has also agreed to the periods being treated as Leave without Allowances in his statement dated 29-10-54 herein enclosed, so that it may help the settlement of the pension claims without much delay

(ii) His absence during the period from 26-6-1944 to 1-4-45, described under para 3(d) may be regulated as follows -

He has been granted combined leave for 8 months and 25 days from 8-7-1944 to 1-4-1945 Under Art 207 of the M S R , the maximum period of leave that could be granted on full pay, otherwise than on a medical certificate, is 6 months T e leave already granted appears to be an irregular grant of leave Therefore, the leave sanctioned may be modified, treating this period of nine months and seven days as continued leave out of which 3 months may be treated as privilege leave, ~~x~~ 3 months furlough on full pay and the rest furlough ~~as~~ on half-pay, the resultant excess of ~~the~~ leave allowances

contd

~~the~~ leave allowances drawn and disbursed to him being recovered from his pension

6 If the absences are regulated in the foregoing manners, the net qualifying service will still be far in excess of the required minimum of 25 years (the official comes under the old pension rules) and this will not also have any effect on the average ~~emoluments~~ emoluments on which the amount of pension has to be based Subject to sanctions of Government to the proposals contained in this reference, the pension admissible in this case will be Rs 33/11/- p m

7 Pay and allowances due for the period from 12-3-25 to 31-8-1925, during which period the official was on duty according to the entries in the S R , have not been settled so far The Deputy Commissioner, Bangalore district, may kindly be requested to arrange for the settlement of these claims The delay may kindly be condoned under the provisions of Art 20 of the Mysore Financial Code Vol I and the Accountant General, Mysore, Bangalore, authorised to investigate the claims

8 In these circumstances, I request you kindly to obtain sanction of Government to the grant of leave as explained in paragraph 5 The Accountant General, ~~in~~ Mysore, Bangalore, may also be requested kindly to investigate the pending claims refered to in paragraph 7 and ~~kindly~~ to waive any minor defects or omissions in the Service Register of the official, which cannot be remedied on account of practical difficulties at this distance of time He may also be requested to authorise the payment of an anticipatory pensions of Rs 25/- p m pending settlement of the claims refered to in paragraph 7 and a final settlement of the pension claims after due verification (after obtaining a declaration from the official in the prescribed form) The S R of the official (in 2 volumes) is herein enclosed for reference, which may kindly be arranged to be returned, with orders of Government

Note of the Controller States Accounts Department

U O No 662/CSA dated 21st January 1955

Non-regularisation of the absences of the official during his service appear to be mainly due to his chronic habit of absenting himself unauthorisedly without previous sanction However, as the absences were not regularised even after six years of his retirement his absence for the periods 15-11-1924 to 11-3-1925, 18-11-1926 to 17-11-1927 and 15-4-1937 to 2-6-37 may be treated as Leave without allowances under note 2 to Article 212 M S R The irregular leave granted for the period from 26-6-1944 to 1-4-45 may be regularised by treating the absence as 3 months privilege leave 3 months furlough on full pay and the rest furlough on half pay, the excess allowances paid being recovered from his pension

2 Regarding the second issue viz , condonation of delay under the provisions of Art 20 of Mysore Financial Code Volue 1, it may be stated that it may not be possible for the Accountant General to investigate the claim relating to a period about 30 years back

3 As the periods of allowances and leave under dispute relate to the service of the official rendered in the Government Departments, the Accountant General, Mysore, Bangalore, may also be consulted in the matter

ii) Pay and allowances due for the period from 17-3-1925 to 1-8-1925 during which period the official was on duty according to the entries in the Service Register have not been settled so far. The Deputy Commissioner, Bangalore District, may kindly be requested to arrange for the settlement of these claims. The delay may kindly be condoned under the provisions of Article 20 of the Mysore Financial Code Volume 1 and the Accountant General, Mysore, Bangalore, authorised to investigate the claims."

2. He requested sanction of Government to the grant of leave as explained in para 1 (i) and to authorise the Accountant General, Mysore to investigate the pending claims referred to in para 1 (ii) above and waive any minor defects or omissions in the Service Register of the official, which cannot be remedied on account of practical difficulties at this distance of time.

3. The Controller, State Accounts Department, whose views were called for in the matter, opined as follows:

"Non-regularisation of the absences of the official during his service appear to be mainly due to his chronic habit of absenting himself unauthorisedly without previous sanction. However, as the absences were not regularised even after six years of his retirement his absences for the periods 15-11-1924 to 11-3-1925, 18-11-1926 to 17-11-1927, and 15-4-37 to 2-6-1937 may be treated as Leave without allowances under Note 2 to Article 212 of Mysore Service Regulations. The irregular leave granted for the period from 26-6-1944 to 1-4-1945 may be regularised by treating the absence as 3 months privilege leave, 3 months furlough on full pay and the rest furlough on half-pay, the excess allowances paid being recovered from his pension.

Regarding the second issue viz., condonation of delay under the provisions of Article 20 of Mysore Financial Code Volume II, it may be stated that it may not be possible for the Accountant General to investigate the claim relating to a period about 30 years back.

As the periods of allowances and leave under dispute relate to the service of the official rendered in the Government Departments, the Accountant General, Mysore, Bangalore, may also be consulted in the matter."

4. On consultation, the Accountant General, Mysore, Bangalore, opined as noted hereunder:-

"The periods of absence of the official are very old and they are not susceptable of verification in this office. It is for Government to treat them as Leave without allowances as suggested by the Controller, State Accounts Department or to sanction them under Article 20 (e) of the Mysore Financial Code- Volume I after satisfying themselves in every respect about the genuineness of the claims."

5. Government after considering the case in detail have concurred with the views of the Controller, State Accounts Department. Accordingly they are pleased to direct that the periods of absences of the official viz., 15-11-1924 to 11-3-1925, 18-11-1926 to 17-11-1927 and 15-4-1937 to 2-6-1937 may be treated as Leave without Allowances under Note 2 to Article 212 of
